

Flying Pig Pro-Am

1:30 Partner Draw
2:30 Game Start

Ramada Plaza Sharonville

June 5, 2017

What Is a Pro-Am?

A pairs event scheduled for the first session of the Flying Regional (Monday) - newer players (the "Ams") are randomly selected to play with advanced players (the "Pros") for a fun-filled bridge session. The winning Am receives a trophy, and the winning Pro receives bragging rights.

Do I Qualify?

The only qualification for Ams is that you cannot yet have achieved Life Master status. To qualify as a Pro, you must be a life master. Everyone is welcome regardless of home Unit. Pairs are matched randomly before the event -- we're sorry, but we cannot accommodate requests for specific players.

When Is It?

Monday, June 5. Please show up at 1:30 to meet your partner. The game starts at 2:30. Ams-make sure to bring 2 copies of your favorite convention card so you and your Pro can discuss it for a few minutes prior to the start of the game.

Hand records will be distributed after the game. Hang around for a few minutes when you're done! If the Am wishes, the Pro will be happy to review the hands and discuss the things done well and those areas that might encourage some fine tuning.
