Dear District and Unit Officers,

Due to the ongoing risk posed by the coronavirus, the ACBL is **canceling the 2020 Fall North American Bridge Championships**, scheduled for November 26-December 6, 2020, in Tampa FL.

With this same concern, **ACBL will not staff any sectionals or regionals with tournament directors for the remainder of 2020**. This removes any possibility for face-to-face tournaments during the balance of the year.

It is the right thing to do. The safety of our members – the community most at risk for COVID-19 – and our employees is of paramount importance to us. At this time, we cannot ask players or staff to travel and risk exposure.

ACBL management and the Board of Directors found this a difficult decision to make. However, the facts are clear, and we must act based on the well-being of our membership and our staff.

We are first communicating this decision with you, the unit and district leadership. Tomorrow, we will send a message to all members.

Sincerely,
Joseph Jones
ACBL Executive Director
